Hello Matt,

Can you provide this list in excel format? Once I have that I can get with the installation group to get the numbers loaded quickly.

Thank you,

Michael

**Importance:** High

Good morning, Michael!

Earlier this month, CCA executed an amendment to their contract with the Office of the Federal Detention Trustee to update their free call list. Now, these inmates are to be provided with free and private phone calls to Federal Defender offices nationwide. Attached is the list of those offices/numbers that need to be setup as FREE and PRIVATE in SCP.

We need to start with setting these numbers up for CA City, as they are in immediate need of this. There will be other facilities that we need to set this up for and I am working on finalizing that list and should have it over to you shortly. Please let me know if you have any questions.

Thanks!
